 Saint George, Barbados

Stunning Family Home with Spectacular Countryside Views

This contemporary family home is a rare gem, set on 3.9 acres of elevated land and offers fabulous panoramic views of the lush countryside making it a tranquil retreat for those seeking luxury and serenity. It is tucked away in a peaceful nook in St George.

As you enter the home, you are greeted by a tranquil koi pond, setting a serene tone for the home.

The property offers 3 generously sized bedrooms on the main floor each with private bathrooms and walk-in closets while the 4th en-suite bedroom is on the lower level for added privacy. The heart of the home is a spacious kitchen equipped with generously built-in cupboards, elegant granite countertops, and an open concept living area that seamlessly connects to the cozy sitting room—perfect for family gatherings and entertaining.

Step outside to discover a large covered patio that leads to the inviting heated swimming pool with an expansive open deck, ideal for soaking up the sun. A powder room and wet bar add to the entertainment value, while an additional covered dining terrace overlooks the beautifully landscaped grounds, creating an ideal setting for al fresco dining.

The thoughtfully designed layout includes a lower level on the eastern side featuring the 4th bedroom and a large family room—perfect for movie nights or cozy gatherings. Meanwhile, the western side of the lower level houses the laundry room, storeroom, and a staff facility, providing easy access to the gardens.

Created by the acclaimed Michael Gomes Architecture, this home is infused with charm and character. Experience the perfect blend of comfort, style, and stunning natural beauty in your own private retreat!
