

SEAESTA LAND DEVELOPMENT

 Saint Lucy, Barbados

Property Development Investment Opportunity!!

Prime real estate investment available in “Moontown”, St. Lucy in the north of the island!

Location across the road from the beachfront with stunning ocean views with permission to build 26 contemporary one, two and three bedroom condos, ranging between 708 sq.ft. to 1,032 sq.ft.. Alternatively the option to design your own investment property for the location.

SeaEsta is an approved luxurious development offering stylish and contemporary island living on a gently elevated location offering wonderful ocean views. The development offers twenty-six contemporary apartments with one, two and three bedroom options. Concept was designed for the option to enter the Rental Pool and the offering of a Beach Club Membership for Little Good Harbour and The Fish Pot restaurant.

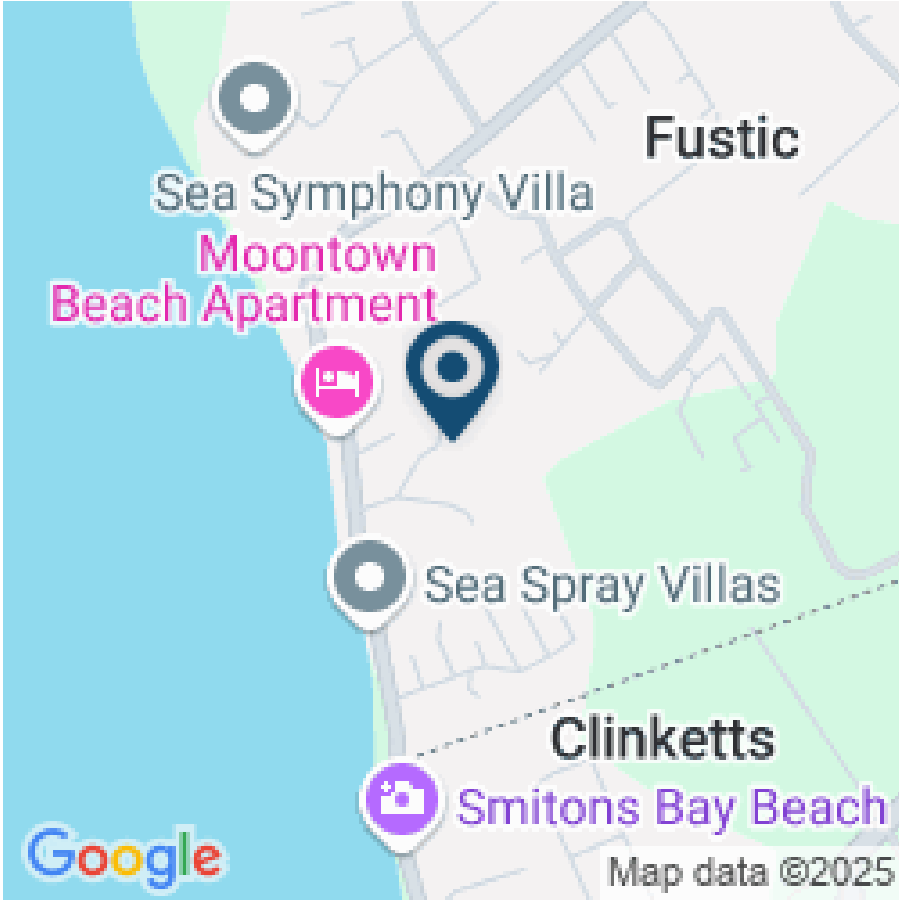

The land is an open canvas for your own vision for development!
