

DOMINICA VILLAS – *ARCHITECTURALLY DESIGNED VILLAS

 Saint James, Barbados

Dominica Villa is an elegant two-story residence spanning 3,524 sq. ft., offering five bedrooms and five and a half bathrooms, designed for luxurious island living. Upon entering, you are greeted by a captivating courtyard oasis with lush central plantings, setting a serene tone for the home. To the left, two beautifully appointed guest bedrooms provide comfort and privacy. A landscaped pathway leads to the spacious open-plan kitchen and living area, where natural light and seamless design create an inviting atmosphere. The living room extends effortlessly onto a covered terrace with an outdoor dining space, overlooking the private swimming pool—perfect for entertaining or quiet relaxation. An additional guest suite with direct patio access further enhances the home’s seamless indoor-outdoor flow. Upstairs, the two remaining guest suites and the magnificent master bedroom open onto a covered balcony, offering breathtaking views of the surrounding landscape. This villa is a true sanctuary, blending elegance with the best of Caribbean living.
