

PINE GARDENS, ST MICHAEL

 Saint Michael, Barbados

Nestled in the heart of Pine Gardens, this stunning 4 bedroom, 3 bathroom property offers the ultimate in comfort and convenience. Ideally situated close to the Canadian and American Embassies, this totally renovated gem is perfect for diplomats, professionals, and families alike.

It is a 5 min drive to Bridgetown and a 10 min drive to the south coast beaches and restaurants.

As you step inside, you'll be greeted by the bright and airy atmosphere, flooded with natural light streaming through the abundance of windows and sliding doors. The spacious open-plan living area with enviable wooden floors and brand-new stylish kitchen, complete with sleek appliances, seamlessly flow onto the expansive patio, creating the perfect setting for al fresco entertaining and relaxation.

The patio, in turn, extends onto the generously sized garden, providing ample space for barbecues and children and pets to play. The garden is being beautifully landscaped to enhance the property's natural charm. The bedroom layout includes two private en-suite retreats as well as a shared bathroom for the remaining two bedrooms. All of the bathrooms are brand new.

This exceptional property boasts an impressive array of features, including a new roof, a large laundry room, covered garage and additional covered storage area. The fully enclosed property, secured by automatic gates, ensures complete privacy and security.

With its prime location, stunning renovations, and abundance of natural light, this property is the embodiment of elegant living. Book your viewing today.
